CAMP THEME

Winning a contest is a result that every athlete and coach strives to accomplish. Most achieve at least one win during a season. It's fun to work hard in practice, play to the fullest potential during the game, and end up with a victory. But every so often, the victory goes farther than that. A special season of competition emerges and allows an athlete or coach to achieve a string of wins each week that culminates into a championship. The competitor goes down into the record books as having never lost a contest...a perfect season. They have the rare opportunity to say, "I am undefeated."

We serve a God who has never lost. His string of victories is unmatched. He has dominated the competition throughout history. He is the ultimate competitor with a game plan that cannot be stopped. God is holy. God is mighty.

He is UNDEFEATED!
