Leadership at Wild Adventures

Leadership training this year was absolutely off the hook. We had over 425 young FCA leaders attend and have a blast.

The training took place on Saturday Sept. 18, 2010 at Wild Adventures. We began at 9:00am and concluded at 2:45pm. Wild Adventures was very generous to us in feeding all of us and then giving us access to the park.

This year we had Chad Wood, the Area Rep from Warner Rob-

bins, give a presentation on developing your devotional life. That was followed by a lively presentation by Steve McHargue on How to win your campus for Christ. We concluded the sessions with Denise Bernath

speaking to us about the FCA resources available on the FCA website.

After lunch, Brian Whitson, a local youth pastor, challenged the kids to get their youth pastor involved with their huddle. Future Now followed with a skit that everyone enjoyed.

Bill New spoke to us about the upcoming Christ Makes Winners

Rally. We concluded with a reminder about See You at the Pole.

Mr. Bob Montgomery, the general manager for Wild Adventures, dismissed us with prayer and released us into the park. The entire event was wonderful. A big thanks to Wild Adventure for their generosity. It was a great day.

Black Mountain Boys:

"This was the most exciting time in my life. I grew closer to God. Thank you for letting me go and experiencing the true meaning of integrity, teamwork, and service."

"I gave my life to Christ this week at camp. I enjoyed the speakers every night . . ." -Tanner

The Fellowship of Christian Athletes camping season was the best ever. We started with Boys Black Mountain in June where we sent about 22 student athletes from Berrien Co. High School. The music was provided by Herb Moon who is just the best there is. We had several speakers during the week including Siran Stacy, a former running back from University of Alabama. In addition, we had 5 coaches from Berrien attend this camp also.

Black Mountain Girls:

"My walk with God became so much stronger. I know now what it's like to have a relationship with Him. I am so excited with my walk with Christ. Thank you for all that FCA offers to us as athletics." -Claire

We followed this with Girls Black Mountain where we sent about 23 young girl athletes from Berrien Co High School. They also had about 4 coaches accompany them to camp. The competition was strong and the worship services were powerful. Again, Siran Stacy spoke during one service and brought the house down. Thank you to all of the Berrien county coaches and supporters for making this an unforgettable summer for these athletes.

"At FCA Camp I learned a lot about Christ and dedicated my life to Him." -Bree

"It was a good experience because I got saved here." -HaLee

St. Simons:

Leadership Camp at St. Simons was packed this year. It was the biggest crowd I remember seeing there. Kids came from all over seeking to be better leaders for their local FCA huddle. We were able to send 8 young leaders to camp where they were challenged and given tools to be more effective.

Georgia Southwestern:

We had football camp at Ga. Southwestern in Americus, Ga. We had two teams from our local area attend. Atkinson County and Clinch County both attended and had a ball. We heard the FCA Chaplain from FSU speak both nights, and he was wonderful.

"I've learned to make a stronger connection with God. FCA reminds us that we are nothing without God and to put Him first."

-Dreshonn

My experience here has gotten me in a closer relationship with Christ. I plan to get stronger not only on the field, but in the classroom and in my community...

-Wade

Georgia Southern

Camp at Ga Southern University this year was very spirited and tremendously competitive. Locally we had our Lanier County Bull Dogs attend and made a great showing. One of my favorite speakers, Ken Watson, from Rock Hill, SC spoke and he always comes to the point quickly and calls men to respond to the truth of scripture.

Camp 2010!

All in all, it was a great summer. It would not have been possible without faithful supporters who made this camp experience happen for so many of our young people. Thank you to each of you for caring.

See You at the Pole 2010

Wednesday Sept. 22, 2010 was See You at the Pole Day. Many of our local and area schools took part by gathering around the flag pole before school to pray for our schools, leaders, administrators, and county. This always draws attention from the students and parents who arrive early.

We attended the event at Valdosta High School and had over 100 students and faculty attend. The FCA huddle leadership team led and provided the program. It was a special time.

The FCA is a vibrant and effective ministry in our schools, It gives young people a place to gather with other believers, a place to grow in their faith, and a platform to evangelize the peers. It is our desire to impact this generation of young people for Christ. Please help us make this become a reality.

The FCA is a faith based ministry dependant on the free will offerings and financial gifts from the community we serve. We are currently in need of financial help. We have cut cost, eliminated expenses, and made every effort to be good stewards over what the Lord has entrusted to us. We are still substantially short and need your help.

Please consider making as large of a gift as possible, payable to FCA at the address shown below. Your generous gift will ensure our continued ministry.
